

## All Other County Facilities and Offices

Due to a significant increase in COVID-19 cases in Macon County and due to County employees at various County facilities having received a positive test result for the COVID-19 virus the County will be limiting access to the County public buildings and facilities until the end of July 2020.

For the week of June 22, 2020 through June 26, 2020 the following county offices will be closed: Circuit Court Clerk, County Court Clerk, Clerk & Master, and Probation Office.

Beginning Monday June 29, 2020, the County offices & facilities will operate under the Phase 1 guidelines for operations of County offices and facilities previously posted on this website. For further details, please review those previous posts.

Outdoor County facilities will be limited in use through July 30, 2020 and no events will be scheduled in those facilities unless a plan is submitted and approved by the Mayor which provides for safe distancing, preventive measures, such as temperature checks, appropriate hygiene measures and other precautions designed to minimize the spread of COVID-19.
