In a discussion about citizens request for road repairs Audie Cook, Road Supervisor, mentioned that there were several roads in the county, along with the two mentioned, that were in need of some repairs. The Highway Committee met with Audie and looked at the citizen's specific request for work to be done on Forkum Ln and Howell Rd. It was determined that Forkum Ln could be funded for improvements in the next allotment of road funding in 2019. The Howell Rd drainage problem was looked at by committee members and it was decided this was on private property and that nothing could be done through Highway Department funding to allow work on private property.
